Memo To: Host families  
From: Cathy Anderson  
Housing Chair

The Housing Committee for the Duramed Futures Players Championship is asking for your assistance in housing players June 9-14, 2009. The majority of players begin arriving on Tuesday, June 9<sup>th</sup> though some have been known to arrive prior and some later depending on where they are traveling from.

If you have housed a specific player in the past and would like to house them again and they are currently scheduled to return, please indicate their name(s) on the enclosed for and return it in the self-addressed stamped envelope provided. We are required by the tournament officials to keep a record of all housing arrangements as soon as possible.

If you are willing to house again this year and if you know of anyone who might also be interested in housing a player, please take a moment to complete the profile sheet enclosed and return it in the stamped envelope provided.

You will be contacted as soon as we have all the player requests in house. Some players contact their former host families directly, if they do please let us know for our records. We would hate to place additional players with you if other plans have already been made.

2009 marks the 25<sup>th</sup> anniversary of the Futures tournament in our community. Decatur is excited to be the host of the longest running tournament on the tour. The field is also increasing this year so we'll be able to experience even more exciting golf.

You can check to see if a player you have hosted in the past is on the roster by logging on to [www.duramedfuturestour.com](http://www.duramedfuturestour.com); go to tournaments then to player roster.

If you have any questions please don't hesitate to contact me.

Sincerely,
